VIVEKANAND INTER COLLEGE
RANIDHARA , ALMORA. 263601

TO WHOMSOEVER IT MAY CONCERN

It is a distinct privilege to write this letter of recommendation for Mayank Bisht, an exceptional student at Vivekanand Inter College, Almora. Having served as his school counselor and faculty over the past two years, I have monitored his academic trajectory, technical leadership, and personal integrity. I endorse his candidature with the highest degree of confidence.

Mayank has demonstrated a strong academic foundation, achieving an outstanding percentage in his Class 10 Board Examinations and maintaining consistent, high-level performance across his Class 11 coursework in our State Board Science curriculum. Beyond traditional academics, Mayank is a remarkably self-driven innovator in computer science and artificial intelligence. For over 15 months, he has served as a lead student contributor in our Atal Tinkering Lab (ATL), gaining extensive hands-on experience in hardware-software prototyping while mentoring peers.

His technical mastery, practical problem-solving, and analytical skills are reflected in an outstanding competitive track record:

State Level: Secured 1st Position at the state level in the prestigious SCERT Uttarakhand Gov Hackathon 2.0.

National Level Distinction: Ranked among top national finalists and represented our region at the Indian Institute of Science (IISc), Bangalore , MIT World Pune , GYANVERSA Hackenergy etc.

International Merit: Earned top rank selection to represent our state region on a global platform at the USAII International Hackathon.

Industry Internship & Innovation: Completed a rigorous technical internship with the uplyx solutions Team, applying guidance to build complex end-to-end systems integrating functional web software with physical working prototypes.

On a personal level, Mayank exhibits rare resilience, humility, and intellectual maturity. Coming from a background with an official annual family income under INR 96,000, he has leveraged limited regional resources to achieve national and international recognition.

Mayank represents the highest caliber of student leaders from our institution. Given his extraordinary drive and financial background, I strongly and unreservedly endorse his application for admission with full financial support (100% scholarship). I am confident he will be a valuable asset to your institution.
